[!!!][TASK] Remove charset conversion in AbstractPlugin

When overriding labels via TypoScript, e.g.
plugin.tx_felogin_pi1._LOCAL_LANG.de.username = Yeah Umlauts
then the abstract plugin does a conversion of the string
from UTF-8 to renderCharset. However, as all values from
TypoScript are considered UTF-8 anyway, the checks
can be removed.

Resolves: #73793
Releases: master
