Description			
While the other size related DocumentTemplate classes \TYPO3\CMS\Backend\Template\MediumDocumentTemplate \TYPO3\CMS\Backend\Template\SmallDocumentTemplate \TYPO3\CMS\Backend\Template\StandardDocumentTemplate have been deprecated before removal and removed in #61782 this was not the case for \TYPO3\CMS\Backend\Template\BigDocumentTemplate which was removed in #63441 without deprecation. To make developers updating extensions to 7.6 aware of this a Breaking.rst should be added.
