#### Description

Dear TYPO3-Developers,

at first thanks for your great work. I just set up the new TYPO3 8.2 version and found a small problem in the tx\_form sysext:

In form.css in line 577 and 580 you link to the resource "actions-delete.svg" and "actions-open.svg". But the path has one "../" too much

#### correct Path:

```
#fake-form .formwizard-element button.t3-icon-edit-delete {
background-image: url('../..../core/Resources/Public/Icons/T3Icons/actions/actions-delete.svg');
}
#fake-form .formwizard-element button.t3-icon-document-open {
background-image: url('../..../core/Resources/Public/Icons/T3Icons/actions/actions-open.svg');
}
```

For the next release :-)

Bye

[BUGFIX] Fix path to icons in ext:form

One ../ too much, remove it to have the icons working again.

Resolves: #77193

Releases: master
