Description

If I want to import a t3d file an error is thrown. This is because the class `\TYPO3\CMS\Core\Utility\File\ExtendedFileUtility` extends `\TYPO3\CMS\Core\Utility\File\BasicFileUtility` where the function `init()` was removed with <https://review.typo3.org/45695>

Associated revisions

Revision 6fcb5d70 - 2016-09-28 08:58 - Nicole Cordes

[BUGFIX] Remove superfluous call of `ExtendedFileUtility::init()`

This patch is a follow up to <https://review.typo3.org/45695> which removed the `BasicFileUtility::init` but didn't removed the extending usages of it.

Furthermore a wrong variable was used to initialize the file permissions in `\TYPO3\CMS\Core\Utility\File\BasicFileUtility` which is also fixed.

Resolves: #78016

Releases: master
