

TYPO3 Core - Bug #78336

Avoid usage of no_cache in preview link configuration

2016-10-18 18:01 - Josef Glatz

Description

Problem/Description

[#66370](#) introduced the flexible link configuration for pre-/viewing records in the frontend. Actually, the FE:disableNoCacheParameter needs to be false, as no_cache is always added.

ToDo(s)

- Add cHash calculation for generating the frontend url.
- Once this is merged - the documentation must be also adopted. The info about the no_cache stuff is possible.
- Also a breaking change rst document could be beneficial

Master/7.6

Revision 0aa5f2b4 - 2018-01-03 20:19 - Georg Ringer

[BUGFIX] Make it possible to add cHash to preview links

It must be possible to generate preview URLs with a cHash, e.g. to display records using Extbase which enforces cHash usage.

Introduce a new option "useCacheHash" which triggers cHash calculation. If not specified, the "no_cache" parameter is added just like before.

Resolves: #78336

Resolves: #81297

Releases: master, 8.7
