Description			
Hi there,			
we have created some forge projects for TYPO3 4.3 projects, but now changed our mind regarding the naming of the identifiers.			
If possible, please change the name of the subprojects of http://forge.typo3.org/projects/show/typo3v43-projects to the following keys:			
typo3v4-listmodule			
typo3v4-installer2			
typo3v4-formwizard			
Thanks!
