Description	
When I empty a datetime field in the backend and try to save the record I get an SQL error when MySQL is in strict mode: Incorrect integer value: "	
Steps to reproduce:	
<ol style="list-style-type: none">1. Create a new fe_users record with starttime set2. Save the record3. Empty the starttime field4. Save the record

History

#1 - 2018-01-23 16:13 - Andre Koller

I can confirm that in v8.7.9

```
2: SQL error: 'Incorrect integer value: '' for column 'starttime' at row 1' (fe_users:1)
```

#2 - 2018-01-23 16:39 - Susanne Moog

- Category set to FormEngine aka TCEforms

#3 - 2018-01-23 19:50 - Wouter Wolters

- Is duplicate of Bug #82756: Can't remove access starttime / endtime added
