<b>Tags:</b>			
<b>Description</b>			
TYPO3 8.7.18. PHP 7.2.			
Going to the extension manager and clicking on the bottom for "extensionmanager" extension to reload static database data throws a warning:			
#1476107295: PHP Warning: Illegal offset type in isset or empty in /var/www/Test/v8/web/typo3/sysex/extensionmanager/Classes/Utility/InstallUtility.php line 366			
It is tested over a pure v8.7.18 instance.			
Can anyone reproduce this problem?

#### History

##### #1 - 2018-08-08 17:40 - Sergio Catalá

In some other instances I receive the next error:

#1342864081: Extension Array is not available

TYPO3\CMS\Extensionmanager\Exception\ExtensionManagerException thrown in file /var/www/Test/v8/web/typo3/sysex/extensionmanager/Classes/Utility/InstallUtility.php in line 368.

I don't know if it could be related to it as well.

##### #2 - 2018-08-17 22:43 - Riccardo De Contardi

On version 8.7.18 I can confirm that I got the error:

```
Oops, an error occurred!  
Extension Array is not available  
More information regarding this error might be available online.
```

On version 9.4-dev (latest master) it throws an exception:

```
#1476107295: PHP Warning: Illegal offset type in isset or empty in /TYPO3-dists/typo3_master/typo3/sysex/extensionmanager/Classes/Utility/InstallUtility.php line 341
```

```
TYPO3\CMS\Core>Error\Exception thrown in file  
/TYPO3-dists/typo3_master/typo3/sysex/core/Classes/Error/ErrorHandler.php in line 116.
```

Steps to reproduce on both:

- 1) go to extension manager
- 2) select the "extensionmanager" extension
- 3) click on the button with the database icon to reload the static data

##### #3 - 2018-08-17 22:45 - Riccardo De Contardi

- Category set to Extension Manager

**#4 - 2018-08-21 13:34 - Sergio Catalá**

- Related to Bug #85915: Exception on attempt to update a static database table in extension manager added

**#5 - 2018-08-21 22:04 - Riccardo De Contardi**

I've tested on the latest 9.4-dev and it seems solved. Can we consider the issue solved? (See [#85915](#))

**#6 - 2018-08-21 22:26 - Riccardo De Contardi**

- Status changed from New to Closed

I close it as it has been already solved with [#85915](#) - it will be available with the next 8.7 release.

If you think that this is the wrong decision or experience the issue again please reopen it or ping me. Thank you.

**#7 - 2018-08-22 14:05 - Sergio Catalá**

That's fine. Thanks for your support, Riccardo.
