Translation update in TYPO3 leads to errors on extensions.t3o

2018-10-18 17:16 - Michael Stucki

Status:	Closed	Start date:	2018-10-18
Priority:	Should have	Due date:	
Assignee:	Michael Stucki	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
It looks like there's no index of existing translations. Therefore, the error log on the extensions website is full with (failed) requests to translation zips which do not exist.			
Should we do something about it, and how do we proceed?
