[!!!][TASK] Drop core 7->8 auto TCA migrations

Auto TCA migrations are now handled identical to core upgrade wizards: They are kept for two versions. The patch thus removes all TCA auto migrations that applied if upgrading from v7 to v8 in current v10 master. Along other stuff, especially the old TCA 'wizard' stuff is no longer migrated to the new syntax.

Resolves: #87447

Related: #87335

Releases: master
