As a FEuser I need a logout form to log out of my account. This form should be based on extbase and fluid.

What we need:

- Form to offer logout (Button/Link)
- Clear FE session and cookie
- Logout confirmation

#3 - 2019-04-12 10:50 - Henning Liebe

- Status changed from New to In Progress

#4 - 2019-04-22 09:59 - Riccardo De Contardi

- Category set to felogin
