<b>Description</b>			
Also the return statement could be simplified by using <code>in_array</code> instead of comparing each doktype. And the <code>\$page !== null</code> check is superflous as it is checked implicit by fetching the doktype.

#### Revision a86c3e2a - 2020-04-19 20:05 - Oliver Bartsch

[BUGFIX] Add missing parentheses in ViewModule doktype check

Also simplify doktype check by using `in_array` instead of comparing each doktype on its own.

Furthermore the check for the page row is superflous because it is checked implicit by fetching the doktype.

Resolves: #91126

Releases: master
