Description			
When focusing the input an information is visually displayed underneath the input called "Remaining characters: 255". Such warnings and suggestions for form inputs need to have a special markup, so that also screenreader users are aware of the existence of such a warning. The alert message is not marked up correctly for screenreader users.			

History

#1 - 2020-10-21 16:20 - Gerrit Code Review

- Status changed from New to Under Review

Patch set 1 for branch **master** of project **Packages/TYPO3.CMS** has been pushed to the review server. It is available at <https://review.typo3.org/c/Packages/TYPO3.CMS/+66236>

#2 - 2020-10-24 17:50 - Riccardo De Contardi

- Parent task set to #89595

#3 - 2020-12-22 11:14 - Benni Mack

- Target version changed from 11.0 to Candidate for Major Version
