Revision a1c82056 - 2020-10-21 21:43 - Oliver Bartsch

[BUGFIX] Make paste content button accessible via keyboard

The paste content button in the page module was not accessible via the keyboard because of it being an anchor element without a `href` attribute (so no tabstop).

The button is therefore now changed to use a button tag, allowing it to be accessed via the keyboard.

Resolves: #92653
Releases: master, 10.4
