Description			
typo3/sysex/core/Documentation/Changelog/master/Deprecation-90956-AlternativeFetchMethodsAndReportsForGeneralUtilitygetUrl.rst			
in here the migration segment shows an incorrect method call			
<pre>GeneralUtility::makeInstance(RequestFactory::class)->request(\$url, [\$headers => ['accept' => 'application/json']];</pre>			
is wrong as the method declaration is the following:			
<pre>request(string \$uri, string \$method = 'GET', array \$options = []): ResponseInterface</pre>
