<b>Description</b>			
When using the following hook:			
<pre>\$GLOBALS['TYPO3_CONF_VARS']['SC_OPTIONS']['t3lib/class.t3lib_tce_main.php']['clearCachePostProc'][] = \Vendor\Package\Hook\DataHandlerHook::class . '-&gt;postProcessClearCache';</pre>			
It is being executed when I use the Clear Cache Option in the top right corner of the backend. However, it is not being executed via Admin Tools -> Maintenance -> Flush Cache			
Tested in TYPO3 10.4.21
