

## TYPO3 Core - Bug #96535

### System news (backend login messages) don't render links anymore

2022-01-14 08:38 - Stefan P

<b>Description</b>	
<p>We use system news in the BE login screen quite intense. Up to version 9 we could use links in there (it's a normal RTE after all) and they were displayed and clickable.</p> <p>I just noticed that links in system news in TYPO3 10 get totally removed from the output (replaced with empty string). No matter if you use <code>&lt;a&gt;</code> tags ( <code>&lt;a href="https://domain"&gt;foo&lt;/a&gt;</code> becomes empty string as a whole) or just a literal url ( <code>https://forge.typo3.org/</code> also becomes an empty string).</p> <p>Since this is an undocumented change (could not find anything regarding this) from 9 to 10 I flagged this as a regression. Is probably still the same in TYPO 11.</p>

### History

#### #1 - 2022-01-14 08:59 - Stefan P

Actually, v11 seems to work correctly again.

v10 has this: `<f:format.html>{item.content}</f:format.html>`

v11 has this: `{item.content -> f:transform.html() -> f:sanitize.html()}`

#### #2 - 2022-01-14 10:43 - Oliver Hader

- Related to Feature #95176: Introduce `<f:transform.html>` view-helper added

#### #3 - 2022-01-14 10:45 - Oliver Hader

- Related to Bug #95179: Transform internal URIs in backend user interface added

#### #4 - 2022-01-14 10:47 - Oliver Hader

- Related to Bug #67556: System news cannot render RTE content added

#### #5 - 2022-01-14 11:10 - Oliver Hader

`f:transform.html` was introduced in TYPO3 v11, not available in TYPO3 v10.

According to [#67556](#) that did not seem to work six years ago, mid 2015...

#### #6 - 2022-01-14 11:11 - Oliver Hader

- Is Regression changed from Yes to No

#### #7 - 2022-01-14 11:16 - Oliver Hader

- Status changed from New to Closed

- Priority changed from Should have to Won't have this time

This most probably won't be fixed in TYPO3 v10 anymore, which is in priority bug-fixing mode only.
