

## TYPO3.Surf - Issues

| #     | Tracker | Status   | Priority             | Subject  | Assignee           | Category | Target version |
|-------|---------|----------|----------------------|--|--------------------|----------|----------------|
| 50664 | Task    | New      | Should have          | check for unresolved TODOs in the code                           |                    |          |                |
| 50663 | Feature | New      | Should have          | support scp transfer   |                    |          |                |
| 50662 | Feature | New      | Should have          | support ftp transfer   |                    |          |                |
| 50661 | Bug     | New      | Should have          | documentation  |                    |          |                |
| 50660 | Task    | New      | Should have          | concept for product website                                      | Christopher Hlubek |          |                |
| 50659 | Task    | New      | Should have          | Unit tests   |                    |          |                |
| 50656 | Task    | New      | Should have          | cleanup task names   |                    |          |                |
| 50655 | Task    | New      | Should have          | check all shell->excute for correctly escaped arguments          |                    |          |                |
| 50653 | Bug     | New      | Should have          | rsync transfer method writes empty *REVISION on remote node      |                    |          |                |
| 50652 | Feature | New      | Should have          | ShellCommandService: method to expand paths in commands          |                    |          |                |
| 50651 | Task    | New      | Should have          | Add @api annotations   |                    |          |                |
| 50650 | Task    | New      | Should have          | Provide better error messages                                    |                    |          |                |
| 50649 | Feature | New      | Should have          | command to kickstart a new configuration                         |                    |          |                |
| 50647 | Task    | New      | Should have          | refactor addTask method argument order                           |                    |          |                |
| 50646 | Task    | New      | Should have          | adding tasks: make use of afterStage instead of afterTask        |                    |          |                |
| 50644 | Feature | New      | Should have          | helper setter for common options                                 |                    |          |                |
| 50642 | Feature | New      | Should have          | Create new ComposerApplication                                   |                    |          |                |
| 50641 | Feature | New      | Should have          | Make simple deployment description as slim as possible           |                    |          |                |
| 50640 | Feature | New      | Should have          | refactor DeploymentService > DeploymentRepository                |                    |          |                |
| 50639 | Feature | New      | Should have          | support SVN  |                    |          |                |
| 49702 | Feature | New      | Should have          | Make all options overrideable                                    |                    |          |                |
| 47727 | Bug     | New      | Must have            | Array merge in Workflow works not as expected                    |                    |          |                |
| 41830 | Bug     | New      | Should have          | Workflow-simulation fails on new nodes during cleanup task       |                    |          |                |
| 40292 | Task    | New      | Should have          | CopyConfigurationTask should not use scp when doing local copies |                    |          |                |
| 71359 | Feature | Accepted | Should have          | Packaging should not be executed for each node                   |                    |          |                |
| 61503 | Feature | Accepted | Should have          | Set deploymentPath on a per node-base                            |                    |          |                |
| 60355 | Feature | Accepted | Must have            | composer: Add option to configure the --no-dev parameter         |                    |          |                |
| 59420 | Bug     | Accepted | Should have          | Make \$localPackagePath configurable in RsyncTask                |                    |          |                |
| 52273 | Bug     | Accepted | Should have          | Passwords containing a % should throw an Error                   |                    |          |                |
| 52072 | Feature | Accepted | Won't have this time | Make Port in Varnish Tasks configurable                          |                    |          |                |

| #     | Tracker | Status       | Priority    | Subject  | Assignee | Category | Target version |
|-------|---------|--------------|-------------|--|----------|----------|----------------|
| 50648 | Task    | Accepted     | Should have | enforce usage of "->forStage" instead of "->addTask"     |          |          |                |
| 43366 | Bug     | Accepted     | Should have | Misleading error message if "expect" is not available    |          |          |                |
| 60270 | Bug     | Under Review | Should have | Task/Git/TagTask doesn't work with transfer method rsync |          |          |                |
